

Call for Application

Third Student Conference for History, Archaeology, and Classics

“Deconstructing the Balkans”

Institute of History and Archaeology, Goce Delcev University of Shtip

Institute of History, Ss. Cyril and Methodius University of Skopje

in cooperation with ISHA (International Students of History Association) Skopje

Following the initiative by the students at the Institute of History and Archaeology at Goce Delcev University of Shtip and the Institute of History at Ss. Cyril and Methodius University of Skopje, the call for application for the **Third Student Conference for History, Archaeology, and Classics** is now opened. The theme of this year's conference is **“Deconstructing the Balkans.”**

The call for application is opened for undergraduate and master studies of history, archaeology, classics, and other related fields.

The conference will take place at the main conference room at the **Faculty of Educational Sciences at the Goce Delcev University of Shtip**, on the **15th of May, 2019**. Each of the participants will have an allocated time slot of 15 minutes to present their paper.

Students that wish to participate are obliged to send an abstract for their topic of choice by 30th of April 2019, in Macedonian or English. The abstracts should be sent to the following email address: conference.istarh@gmail.com Any abstracts sent after the deadline will not be taken in consideration.

Rules for preparing the paper:

Structure of the paper

- Main title in large letter, bold, 12;
- Name and surname of the author/co-authors, bold, 12;
- Abstract in Macedonian or English (no more than 250 words);
- 3-5 Keywords;
- Introduction;
- Main part;
- Conclusion;
- Bibliography.

Preparing the paper

The paper should be prepared by the following rules: written in Macedonian or English in MS Word, A4 format, using Arial in a font size of 12, with 1.5 paragraph spacing in Justify, the margins of the documents should be 2.54 and each of the pages should be numbered.

References

The bibliography should be given in alphabetical order by the authors' names. Should more of the same author's book be included, the latest work is required to be at the top whereas the oldest one at the end.
